APPEAL FOR SPONSORSHIP/DONATION TO COMPLETE THE TEMPLE PROJECT

The Umhlanga Hindu Society (UHS), a spiritual, religious, cultural and charitable organisation, has embarked on a mission to build a Universal Place of Worship and a Spiritual Resource Centre in Somerset Park, Umhlanga to fulfill the diverse needs of the community.

We have completed Phase 1, the committee room and the shell of the banquet hall and the actual Temple of Phase 2 of the development which is currently being used regularly by the residents north of the Umgeni, Greater Umhlanga and surrounding areas for a variety of religious, spiritual, cultural and charitable activities. This historic milestone could not have been achieved without the generous donations and support from the members of our community. Please see the schedule of activities under the heading Activities on this website.

The UHS is currently in the process of further development of the Temple Project. The paving around the Temple and the installation of the ceiling are in progress. The tiling of the banquet hall will also commence soon. Our volunteer professionals are now developing the design for the shrine and are willing to continue their support until completion of the project.

Our main goal is to complete this project in a reasonable time frame while minimizing the total construction cost. Therefore, we humbly seek your support in any way possible. In order to complete the project, please also find attached herewith the cost estimates of labour and materials required.

It is with this goal in mind that the Umhlanga Hindu Society hereby humbly appeals to you and your network of associates, as stakeholders in our community to support our initiatives by monetary donations, sponsoring of building material, pledges to complete a part of the construction work, find other donors, helping to raise funds or volunteering in anyway. We Need Your Help!!

Please let us know if you would like to get involved in this worthy community project so that it may continue to serve the local and wider community through its own religious, cultural and social activities and by hosting renowned visiting spiritual masters.

The Fund-Raising Committee would like to thank you in advance for your continued support and co-operation! We invite you to be involved in this noble project!

Yours in service to the community

God Bless.
